

Meet Abigail Herrington

Abigail Herrington, our Director of Youth Ministries, has been on staff at Keller United Methodist Church (KUMC) since December 2017. As Director of Youth Ministries, she plans activities for grades 7-12 and college students. Abigail coordinates activities such as mission trip, “Collide” youth group meetings and the “Made with Love” fundraiser for mission trip to name a few.

The things Abigail likes most about her job are the students and the community of Keller UMC. Seeing seeds of faith that are planted start to sprout and grow is very fulfilling to her. Creation of a support system for her students is important. Abigail appreciates that KUMC allows her to be authentic, to express her faith as she understands it. In her time on staff she has felt highly supported, strongly mentored and encouraged to fully explore her calling.

Abigail grew up in Bay St. Louis, MS, which is located on the Gulf Coast. She attended Millsaps College in Jackson, MS and graduated with a BA in History. Abigail loves British television: comedies, mysteries and especially Dr. Who. We cannot forget to mention her biggest role models too, Elle Woods and Leslie Knope.

If you would like to reach out to Abigail, you can do so via her church email, abigailh@kellerumc.org.
