

Meet Audrey Peterbark

Audrey Peterbark joined the Keller UMC staff team in 2017. As the Associate Director of Music, Audrey provides organ and piano accompaniment for Sunday morning services, as well as Wednesday evening rehearsals. In this role, Audrey very much enjoys working with all of the Keller UMC staff and she enjoys the autonomy in the music she selects for services.

Audrey likes the friendly and family atmosphere of the church and the variety of musical talent in the congregation and on staff.

When Audrey is not working as the Associate Director of Music, she enjoys being the music teacher at Lake Ridge Elementary School in Cedar Hill. She is originally from the Washington DC/Northern Virginia area. Audrey holds both a B.M. and M.M. in Piano Performance and Pedagogy and a minor in voice studies from Westminster Choir College of Rider University. Along with this rich musical background, she has even performed onstage at New York's acclaimed Carnegie Hall!
