

Meet Cathy Dill

Cathy has been on our staff for two and a half years as the Coordinator of Serving Ministries. In that position she is responsible for managing many of the ministries that serve local and international community members. Cathy manages all aspects of the Resource Center including volunteers, ordering food and the budget. She also plans and implements our international mission trips, the backpack program, Kid's Hope and Mission 1025. The Angel Tree Project and holiday events are other serving opportunities that fall under Cathy's umbrella – Thanksgiving in a Box, the Evergreen Christmas Dinner and Cookie Drop. She plans and manages the budget for all these serving ministries.

What Cathy likes most about her job is providing opportunities and showing people ways to connect to God thru serving others. For example, she loves to visit and pray with clients that come to the Resource Center and the Angel Tree Party. When asked what she likes best about KUMC, her response is the people because they are an amazing congregation that love to serve willingly and wholeheartedly!

In her spare time, Cathy is a Color Guard Tech for Boswell High School. She is also a certified wedding planner and floral designer, and she uses those talents to help her friend's business by filling in as a Wedding Coordinator and wedding florist.

You can reach Cathy via her church email at cathyd@kellerumc.org.
