

Meet Kim Kuhlman

Kim Kuhlman joined the Keller UMC staff team in late summer of 2012. As the Serving Ministries Assistant, Kim works with, recruits, schedules and communicates with all worship servers. These worship servers include greeters, ushers, ambassadors, communion servers and golf cart drivers. Kim also tracks and communicates with new visitors to Keller UMC. Part of the follow-up with visitors includes working to connecting them with the appropriate groups/activities at Keller UMC.

Kim really enjoys meeting, talking to and getting to know the people of Keller UMC including both staff members and folks in the congregation. And, not surprisingly, Kim's favorite things about our church are the wonderful people who make up our church family!

When she is not arranging for all of the worship volunteer position to be filled, Kim enjoys sewing quilts. She began by making a photo quilt for her parents quite a few years ago. Since then, Kim sews a quilt for each of her grandchildren. She has completed one for their first grandchild, is working on one for the second grandchild, and early in 2021 their third grandchild will be arriving, so the adventure in quilt making will continue!

Kim can be contacted at her email address, kimk@kellerumc.org.
