

Meet Melanie Grice

Melanie Grice is the Executive Director of Operations at Keller UMC and she has been working at the church for seven years. A few parts of Melanie's job entail dealing with Finance, Human Resources, Information Technology and many other responsibilities. Melanie likes to problem solve and find ways to streamline processes, which makes her a great fit for her job.

Melanie likes the variety of ages and religious backgrounds at Keller UMC and the encouragement everyone receives to question theology to help them grow spiritually.

She is originally from Bartlesville, Oklahoma, but she came to Texas as soon as she could to attend TCU. After marrying a Texan, Jeff, and giving birth to two more Texans, she considers herself naturalized. Her two daughters are opposites in many ways. Zoe is a sophomore at the Savannah College of Art and Design, studying Fibers. Keely is a senior at Central High School, planning to study Genomic and Computational Biology in college, unless she discovers something even nerdier in the meantime.

When she is not working, Melanie loves to scrapbook, craft, bake, travel and explore new places with her family. She hates working out, but does it anyway and rewards herself by watching British TV on the treadmill. When the pandemic is over, she hopes to plan a European river cruise with stops at Christmas markets.

She also has two dogs (Nicolette Tesla and her back-up dog, Sadie) and one cat (Sir Nigel), who are all rescue pets.

You can reach Melanie via email at melanieg@kellerumc.org.
