

Meet Victoria Wilson

Victoria Wilson is a kind, hardworking staff member here at Keller UMC. She is from San Antonio, Texas and began her job as the Membership Coordinator at our church in March of 2015.

As Membership Coordinator, her responsibilities are to help program staff in senior adult ministries, adult ministries, youth and children's ministries. Victoria is also a master in the Shelby System (our church membership database) and processes our Safe Sanctuary certifications.

The thing she loves best about her job is that she gets to help people. She also enjoys learning about the Shelby database and helping staff and members learn about it.

Victoria loves working at Keller UMC for many reasons, but what she likes best about working here are the staff and church members because they make her feel loved and appreciated.

Something you may not know about Victoria is that she is a very crafty person. She enjoys singing, gardening, drawing and painting with watercolor. She is always learning how to create new things.

If you would like to reach out to Victoria her email is Victoriaw@kellerumc.org.
